

ECO8LDN
ECO12LDN

- ✓ HEPA Filter
- ✓ Powerful Dehumidification
- ✓ Auto Restart Function
- ✓ Transparent Water Level Indication
- ✓ Humidity Sensor
- ✓ Convenient Handle

This dehumidifier is very compact yet powerful and energy efficient, one that you can use for home or office. Even if it is a very slim dehumidifier, it doesn't fall short of features making it one of the best dehumidifiers from its range. It comes in 8L and 12L extraction capacity.

- Powerful dehumidification feature – it will automatically adjust humidity to the minimum level.
- HEPA filter – this filter removes airborne contaminants such as pollen, dust mites, animal danders and airborne particles. Asthma & allergy sufferers will benefit from this feature.
- Continuous drain option.
- Transparent Water Level Indicator.
- Auto Defrosting Feature – prevents evaporator from freezing and saves energy.
- Auto re-start Function – so you don't have to worry about re-starting it after a power cut.
- Led Display.
- The option of adding filters.
- Ergonomic Handle – strong handle allows you to easily carry the dehumidifier around.
- Compact and Stylish Design.
