Vitamin C for your Air Conditioning

Vitamin C Filter

What is a Vitamin C filter for your air conditioning.

The Vitamin C filter fills the air with vitamin C, which softens the skin and reduces stress and has therapeutic benefits. Each vitamin C filter lasts up to 2 years.

Who will this benefit

This will benefit those who wants to purify the air to aid relaxation after a hard day's work.

Which air conditioner comes with Vitamin C filter

All the split units can be fitted with a Vitamin C filter. Just tell us you need to add the vitamin C filter when ordering. We can show you how to fit this into the unit.
